"PREPARED BY AND FOR THE WALT DISNEY WORLD CAST"

JULY 18, 1980

WORLD SHOWCASE FELLOWSHIP STUDENTS ARRIVE

It was an exciting moment last Friday when the Eastern Air Lines' jet touched down and the eight American Field Service students participating in our World Showcase Fellowship pilot program came out to greet their host families!

These eight students have been living and studying in the United States for the past 10 months. After

leaving their American families, they spent a week traveling across the United States with other American Field Service students, all ultimately meeting in New York City. Once in the "big apple" our eight students were met by **David Kanally** and **Tom Eastman** of the Disney University who accompanied them to Orlando.

During their first week in Orlando, they've had a chance to get to know their host families and have gotten to know some of us here at Walt Disney World Company. After spending two days in Orientation, they've begun their work/study schedule which will give them a chance to learn a little about almost every aspect of our operation.

As you know, this World Showcase Fellowship pilot program is the forerunner of the program which is slated to begin with the opening of EPCOT Center in October 1982. The World Showcase section of EPCOT Center will be a living community of nations where students from all over the world will live, study, work, and play together.

Our World Showcase Fellowship Students.

Host families met with **David Kanally** prior to the arrival of our World Showcase Fellowship students to go over their work/study schedules.

The eight students joining us for this seven-week pilot program are **Romano Brooks** of the United Kingdom who is living with Bob and Doris Williams; **Guisella Sanchez-Castillo** of Costa Rica who is living with Charlie and Barbara Stuart; **Sylvia Espinosa** of Mexico who will be staying with Al and Jana Springer; **Takekazu Kubota** of Japan who is joining the family of B. J. and Susie Johnston; **Anne Cardaillaguet** of France who joined Rick and Carol Johnson; **Richard Salvat** of Canada who is living with Bill and Joan Jennings; **Claudius Zeller** of Germany who is living with Dave and Erika Jaskiewicz; and **Fausto Pasqualini** of Italy who is living with Chuck and Mary Burdick. All of their native countries will be represented in World Showcase when EPCOT Center opens in 1982.

Our host families.

During the next few weeks, you'll have a chance to get to know our World Showcase Fellowship students through additional articles in **EYES & EARS** and by working side-by-side with them as they join our cast members working in Foods, Operations, and Merchandise!

SAVE FUEL AND MONEY . . . EXPRESS YOURSELF

The Express Bus Service is operated by the Orange/Seminole/Osceola Transportation Authority for the convenience of Walt Disney World cast members, as well as to conserve energy. The cost of the bus service is just 90¢ one way or a total of \$9 each week if you ride five working days, round trip.

That's quite a savings if you're currently driving to and from work alone . . . as much as \$5 each week in most cars! And that's for gasoline alone . . . not maintenance!

So check the schedule and route here and plan on saving both energy and money.

SOUTHEAST EXPRESS BUS ROUTE

The Express Bus Service drivers do not carry change on the busses, so either bring the exact change with you when boarding, or drop by Cast Activities and purchase a 10-ticket book for \$9.

SPOTLIGHT MEETING . . . WE NEED YOU!

Everyone who has ever assisted with Spotlight Magazine (and even those of you who haven't) we need you this **Tuesday evening, July 22, at 5 p.m.** The place is the Cast Activities Lounge, second floor of the Center Building. Bring all your ideas, arti-

cles, photos, cartoons, unprocessed film, and anything else you have or would like to see in the issue. We'll be putting the pieces together, and if we don't do it now, well, you know!

See you there!

CENTER GAS STATION

The Center Gas Station has acquired new gasoline pumping equipment — the Micrologic M-3 System — which will alter the current purchasing procedure at the Center Gas Station.

As a self-service station, the Center Gas Station will now operate with one attendant who will remain at the booth. Each cast member purchasing gasoline will pump their own gas, as usual, then pay the attendant at the booth. All purchases must be cash; credit cannot be extended at the Station. And you must present your Walt Disney World ID card at the time of payment to receive your employee discount.

So don't forget your Walt Disney World ID, so you can keep saving on gasoline at the Center Gas Station.

Manning the new computerized system at the Center Gas Station is Eddie Hall.

SAFETY FIRST

When you work at Walt Disney World Company, it's easy to take it for granted that you're safe and secure . . . but that's when you get lax on safety precautions, so it's a good idea to keep some of these tips in mind:

- Walk to your car after work in pairs or groups, especially after dark.
- Check the backseat and the floor before entering your vehicle.
- While driving, do not stop to offer assistance if you see a disabled car. Drive, instead, to an emergency call box or telephone and call for assistance.
- Be alert in crowds; that's where pickpockets do their best work.
- If you will be away from home until after dark, have the porch light on, as well as an inside light.
- Attempt to have any pension, retirement, or social security checks posted to an account rather than to your mail box. There are those who know the regular date these type of checks are delivered and you may not find it there some month.

I HAVE AN IDEA

Idea" boxes are special forms for you to complete to tell us your idea. But if someone else has beat you to the punch and the forms are gone, simply write your idea down on a blank sheet of paper, indicating what your idea is, what you think it will accomplish and any other pertinent information, and of course, don't forget to include your name, department name, and work extension so we can reach you if necessary. Additional forms are also available at Cast Activities, second floor of the Center Building, so drop by anytime for one!

Once you've submitted your idea, the I Have An Idea Committee will review it to determine the feasibility and originality of your idea and if accepted, insure that it will be implemented.

There Are Two Types of Accepted Ideas

There are two types of accepted ideas, a general request and an original idea.

A **general request** is an idea accepted as a result of a cast member bringing an "oversight" to the attention of the "I Have An Idea" committee, such as the need for additional signs in an area, or a cast member determining a faster way to accomplish a task already being done. For an accepted general request idea, the submitting cast members receive a letter of commendation in their personnel file and a copy sent to their director.

An **accepted idea** is one that is original, creative, and will improve efficiency, safety, or our guests enjoyment of Walt Disney World Company. For an accepted idea, cast members receive a framed certificate for the first idea accepted in a given year, dinner for two at a Walt Disney World restaurant as well as a letter of commendation. Once cast members receive three accepted ideas in a given year, they receive their choice of dinner for two at the Top of the World or a \$50 gift certificate. All accepted ideas must have been originated in the past six months for consideration.

Keep Those Ideas Coming In!

Are you keeping some great ideas to yourself? Do you think you have a better way to do something or to save energy or to improve a show or safety here at Walt Disney World Company?

Well, you should let the rest of us in on your idea! And of course, we have the perfect means for you to do it . . . "I Have An Idea" program.

Throughout the property, in most cast cafeterias and major break areas, "I Have An Idea" boxes are located on the walls ready for you to put your great ideas into it! Also, on the bottom shelf of these "I Have An

In January, Bob Allen presented Bill Walters with his wall plaque acknowledging his idea as the Outstanding Idea for 1979. Maybe yours will be the "big" one for 1980!

Your Idea Could Be Deemed Outstanding

Of course, some ideas are so great that special recognition should be granted. For these ideas, the "I Have An Idea" committee votes to call them "Outstanding." Cast members whose ideas are deemed "Outstanding" receive a special wooden wall plaque, a parking place of their choice for one month, their choice of a Mickey Mouse telephone or a \$100 gift certificate at the Walt Disney World Village, and a letter of commendation. And at the end of each year, all Outstanding Idea winners are invited to the "I Have An Idea" awards dinner where one idea receives the recognition of being the "Outstanding Idea of the Year," and the submitting cast member receives a large wall plaque acknowledging this honor as well as an all-expense paid vacation for two! Last year's winner, **Bill Walters**, chose the seven-day Caribbean Cruise from the four choices he was given.

There's Still Time In 1980 To Get Your Idea In

As of this writing, there have been 562 ideas submitted in 1980. Of that number, 67 have been accepted as either a general request or an original idea and three have been deemed "Outstanding."

With five months remaining in 1980 there's still plenty of time for you to put your thinking cap on and be one of our next "Outstanding Idea" winners!

CAR CARE TIPS

Conserving energy and fuel now means you'll save money as well, and with gasoline prices increasing we all need to do everything possible to save on gasoline. Here's a few tips:

- Plan your errands for one long trip rather than several short ones. Your car gets much better mileage on long trips than short ones!
- The most fuel-efficient way to cool your car on the open highway is to open air vents and vent windows. This doesn't drain any power from the engine, but air-conditioning can decrease your mileage as much as 20%. Open side windows will also drain your car of mileage.
- Use your trunk for luggage when traveling and avoid using the top luggage rack if possible. Luggage packed on top of your car increases wind resistance, cutting down on mileage.
- Avoid driving badly worn roads whenever possible. Potholes that cause you to constantly brake can cost you 20% of your mileage!
- Write your county commissioner to insure that traffic lights are synchronized! The less stops you have to make the more fuel you save! That also means you should maintain the posted speed limits in areas that are already synchronized to avoid hitting lights.
- Two hundred and fifty thousand barrels of oil could be saved each day if more people would car pool or van pool. The average rush hour vehicle occupancy is currently 1.3 persons. This savings would be realized if the average occupancy was raised to just 2 persons! Imagine what could be saved if **everyone** took public transportation when available!
- The most fuel efficient way to travel to and from work during rush hours is a 10-occupant van pool! Drop by your Division Transportation Coordinator's office today to see what you can do to join a van pool! (Contact Cast Activities for the name of your Division Transportation Coordinator.)
- Stop and go driving can cut your mileage in half. Slow and stop smoothly and avoid jackrabbit starts to save fuel.

SECURITY IS SOUNDPROOFED!

At least their newly redecorated Radio Room is! After years of working in a noisy open room, the Security Hosts and Hostesses working in the new Radio Room are pleased to find individual booths and soundproofed walls to work in. This soundproofing is quite important as it will eliminate excess noise from distorting the messages sent and received over the three security frequencies.

To officially open the newly redecorated room, **Monica Hallecks**, our 1980 Walt Disney World Ambassador, assisted **C. B. Gwinn**, Security Supervisor, and **Mickey Mouse** in the ribbon cutting ceremony.

FOR YOUR BENEFIT

MICKEY'S FILM EXPRESS AVAILABLE TO MAGIC KINGDOM CLUB MEMBERS

Announcing a new benefit for Magic Kingdom Club members ... **Mickey's Film Express!**

Mickey's Film Express is a mail order film development program offered to guests visiting the Walt Disney World Vacation Kingdom and Disneyland Park. Disney guests have been extremely pleased with the convenience of this program and excellent processing quality.

Due to the popularity of **Mickey's Film Express**, the program is now available for home use to Magic Kingdom Club members (and all cast members can belong). You will also receive a 10% discount off the regular prices! All types of film processing are offered, such as color prints, slides, movies, reprints, and enlargements. American Express, Master Charge, and Visa credit cards are accepted and credit will be

issued for any negatives not printed.

To have your next roll of film processed, simply pick up a convenient self-mailing envelope, which includes full details, from Cast Activities or the Camera Center, today.

MOUSELLANEOUS

HOTEL PLAZA BUS SERVICE CHANGES

As of July 1, there's been a change in bus service from the Lake Buena Vista Hotel Plaza and the Transportation and Ticket Center. As of that date, the **Red and White Transportation Route** will honor Hotel Plaza ID's for admission onto the busses.

Day guests wishing to visit the Hotel Plaza may purchase round-trip tickets for the bus service at the Bus Information Booth at the Transportation and Ticket Center for \$1.10 per person. Tickets are not available for purchase at the Hotel Plaza.

LETTERS TO US

I wish to thank the Blood Bank and all donors at Walt Disney World Company for my husband. It was really appreciated at the time of his surgery after his recent heart attack.

*Gladys Oda
Contemporary Resort Hotel*

Editors Note: We often receive letters from guests who have returned home with wonderful memories of their visits to Walt Disney World and we thought we'd share this one with you:

Dear Sirs:

Having been to your lovely Magic Kingdom, I decided to write some of my feelings to you.

My husband and I took my nephew and niece there twice, and the look on their faces was something to behold.

Decent entertainment is needed in our time and you have rolled everything of enjoyment for young and old into this place.

We ate at the hotel, rode the monorails and did all we could in the time we had, and your crew was courteous, constantly keeping the place clean.

We have nothing but praise for our enjoyable moments spent there! God bless you all!

Mr. and Mrs. Frank Schauflle

CAST ACTIVITIES

ANYTHING GOES AT LITTLE LAKE BRYAN!

Today is the day to find out who qualifies for the title of the wildest and funniest bunch of cast members at Walt Disney World this summer! The action begins at 10 a.m. with final registration for teams. Events will be staged from 11 a.m. until 6 p.m., so you can work the competition in around your schedule!

And you'd better believe the events are wild! Each competing team is comprised of two men and two women and they'll have to beat the clock in such exciting events as a frisbee toss through basketball hoops, an inner tube race to the paddleboats followed by a paddleboat race to reach the monorail tires to be wheelbarrowed back to the finish line, and a timed race to be the first to blow a bubble with chewing gum! And no one will be a "loser"; all teams will receive a color snapshot as a souvenir of the day's events!

Mother's Choice, the superb group appearing regularly at Apple Annie's Courtyard at Church Street Station, will be performing from 1 until 4 p.m. for everyone's enjoyment. And food service will be provided by the Lake Buena Vista Outdoor Foods staff and will feature pizza, hot dogs, corn on the cob, and soft drinks.

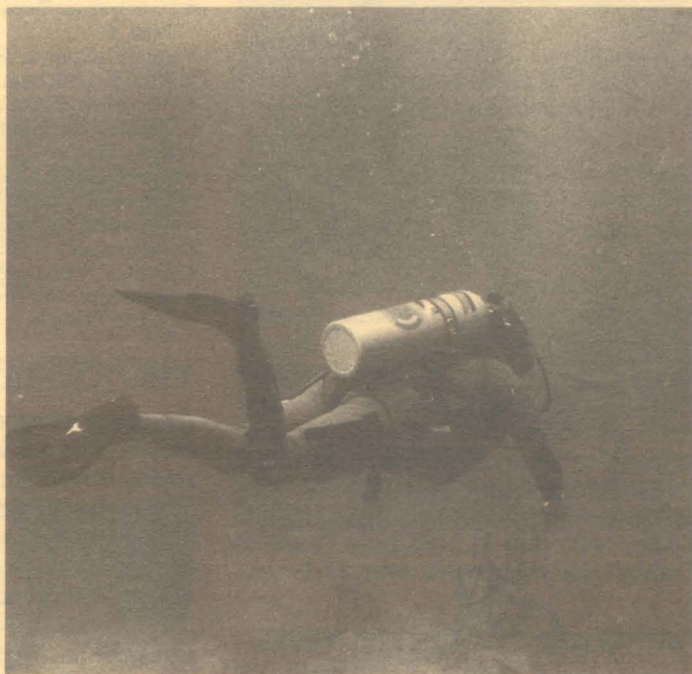

So bring your teams, your cheerleaders, family, and friends (even if you're not competing — just watching!) and come on down to Little Lake Bryan for a fun day of Anything Goes!

SCUBA CLASS OPENS REGISTRATION

Our fourth in a series of **SCUBA** classes for 1980 is open. Instructor **Wayne Mitchell** (Loss Prevention), in cooperation with the Dive Club and Cast Activities, will again be teaching this highly popular class.

Successful completion of the course will lead to nationally recognized **Basic SCUBA Certification** through the National Association of Underwater Instructors (NAUI).

The cost is just \$55 per student, which includes use of all SCUBA gear for the duration of the course and membership in the Dive Club.

Each class lasts **six weeks**, meeting twice a week. You will attend one **dry session** and one **wet session** each week. The dry sessions are on Monday night, with wet sessions meeting on Tuesday, Wednesday, and Thursday. All sessions begin at 7 p.m., and you can personalize your schedule with the instructor.

Although strong swimming abilities are not required, you will have to pass a basic swim test, including demonstration of several strokes and swimming a predetermined distance without stopping, but not against the clock. The instructor can answer your questions regarding this test.

The class begins **Monday, July 28**. Signups are now underway in Cast Activities on a first-come-first-served basis. Reservations must be made with \$25 deposit. An information sheet and application are available in Cast Activities.

COME ON OUT AND ENJOY YOUR LAKE!

It's summertime and a great way to beat the heat and cool off is to pack a picnic lunch, bring the family or a special guest and come on out to **Little Lake Bryan!** Our summer activity schedule includes:

- 7-11 a.m. — Water-skiing
- 11 a.m.-5:30 p.m. — Sailing
- 5:30-7:30 p.m. — Water-skiing
- 11 a.m.-6 p.m. — Lake Swimming
- 11 a.m.-7 p.m. — Pool Swimming

On August 5 and 6, there will be a **special children's water-ski class** taught by volunteer ski boat driver **Buddy Meyer** (Lake Buena Vista Recreation) from 9 until 11 a.m. Basic fundamentals of skiing will be taught as well as water safety for youngsters.

JULY DEEP SEA FISHING TRIP SET

You've only got one week remaining to join our next **Deep Sea Fishing Trip** on **Saturday, July 26**, out of Port Canaveral ... just 45 minutes from Orlando!

You'll be sailing aboard the **Blue Seas**, an 83-foot vessel chartered exclusively for our cast members. The captain reports that they are currently reeling in big grouper, red snapper, and some amberjack, as evidenced by the large catch of some of our cast members on the June trip.

The cost is \$26 per person, and includes your tackle and bait, as well as mates to assist you. You'll leave the dock at 8 a.m. returning a full nine hours later at 5 p.m.

Although the boat will seat up to 65 fishermen, Cast Activities has limited this charter to 40 people to insure plenty of elbow room. Reservations are on a first-come-first-served basis with payment in full due when you sign up at either Cast Activities or the Lake Buena Vista Satellite. So sign up today ... this trip is filling fast!

SPORTS, CLUBS & SPECIAL EVENTS

CHRISTIAN FELLOWSHIP

Beginning **Tuesday, July 22**, the Christian Fellowship group which meets in the Facilities Conference Room (Casting Building), will begin studying and discussing the Book of Romans.

Study guides will be used, and may be picked up at any of the weekly meetings. Everyone is invited to become involved in this group study.

PHOTOGRAPHERS WANTED

Amateur photographers are invited to join the newly formed **Photography Club!** This new club will have complete access to darkroom facilities and will hold sessions on darkroom techniques and camera work. Plans also include periodic photographic exhibitions at Little Lake Bryan functions and in cast cafeterias.

If you are interested in joining this newly formed club, which plans to meet twice each month, leave your name with the Cast Activities Lake Buena Vista Satellite, 828-3977.

ADVANCED LIFESAVING BEGINS NEXT WEEK

The American Red Cross Advanced Lifesaving course begins **Monday, July 21**, at the Contemporary Resort Hotel adult pool. Cast members interested in taking this course should call the Resort Division Training Office at 824-1000, extension 3750, to sign up.

The course meets Monday through Friday from **7 until 9 a.m.** for three weeks. Successful completion of the course is one of the prerequisites in becoming a Resort Division lifeguard.

JULY SINGLES TENNIS TOURNAMENT

Kim Evans of the Hotel Royal Plaza won top honors at Cast Activities July Singles Tennis Tournament held last week at the Lake Buena Vista Club. **Jim Kranston** of UNOCO was the runner-up in the Advanced Division.

In the Women's Intermediate Division, **Delia Schley** defeated **Helen Waldrop**. The Men's Intermediate Division was won by **Bob Richards** of Contemporary Maintenance with **Chuck Drake** taking second place honors.

Dave Kuhlein won the Novice Division followed by **Larry Bouget** who was runner-up.

VOLLEYBALL STANDINGS

The current standings in our Summer Volleyball Leagues finds the undefeated **Sand Divers** still holding tight to their first place spot in the 6 p.m. league. **Sand Sharks** and **EPCOT Construction** are tied for second place with a 4-2 record. **Top of the World, Watercraft**, and **Transportation** hold fourth, fifth, and sixth place, respectively.

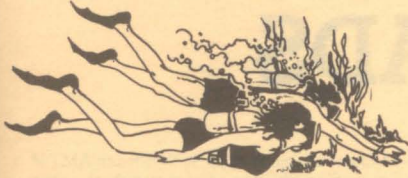

Also undefeated is **River Country**, which holds the first place spot in the 8 p.m. league. **Misfits** currently hold second place with **Internal Transportation** and **Contemporary Lodging** holding third and fourth place, respectively.

SPORTSMAN'S ASSOCIATION

The next campout for the Sportsman's Association is next weekend, **July 25 and 26** at Beverly Beach Surfside right on the ocean on route A1A. The cost is just \$10.25 each night. Fifteen spaces have been reserved with payment due on July 17, so sign up right away at Cast Activities. Complete information brochures will be available when you sign up. Don't forget your fishing pole!

There's more good news ... the annual Fish Fry is coming soon! It's all set for **August 24**, and a good time is being planned for all. Watch future issues of **EYES & EARS** for complete details.

DIVE CLUB NEWS

The next Dive Club meeting is set for 7:30 p.m., Tuesday, August 5, at the Knollwood Apartments clubhouse. New members are encouraged to attend.

Lobster season is about to begin, and our Dive Club will be among the first to be in on the action. For just \$76, you can join us to **the Keys** on July 26 and 27. The cost includes four day-time dives and one nighttime venture. Call Michael Craun at 859-2173 for details.

Spaces are still available for our one-day dive to **Kohler's Reef** out of West Palm Beach on **Saturday, August 2**. The cost of this two-tank dive is just \$21, payable at Cast Activities when signing up.

BASKETBALL RESULTS

In the third week of action, game results were as follows:

- Empress Lilly 76, Monorails 42
- Finance I 71, MO 7 59
- Finance II 56, Central Foods 54 (in overtime)
- Plaza Stars 66, Bordens 63
- Fantasyland 41, LBV Communities 40
- Front Loader 63, LBV Housekeeping 40
